## Ventilator Training and Acknowledgement

Ventilator training is required to be completed by all physicians in the Emergency Department.

The required trainings are available online via YouTube, click on the links below to access or search directly. Upon completion of training complete the acknowledgement section below and return to Erica Bailey ([ebailey@tribalhealth.com](mailto:ebailey@tribalhealth.com)).

### Ventilator training videos:

Hamilton T1 - Basic Ventilator Settings

[HAMILTON-T1/C1/MR1: Basic ventilator settings - YouTube](#)

Hamilton T1 - How to start Ventilation

[HAMILTON-T1/C1/MR1: How to start ventilation - YouTube](#)

Hamilton T1 - How to Manage Alarms

[HAMILTON-T1/C1/MR1: How to manage alarms - YouTube](#)

Hamilton T1 - BiPaP

[HAMILTON VENT SERIES: Bipap - YouTube](#)

Addition references, including the training and operations manual can be found in the Rosebud Emergency Department.

Should you have any questions please contact Scott Giles at [sgiles@tribalhealth.com](mailto:sgiles@tribalhealth.com)

### Acknowledgement

My signature acknowledges I have completed the Ventilator training videos as stated above.
